Goal of the project (who will it serve, how will it improve our community): _____

Please register your project with us as soon as possible. By registering your GYSD project with United Way 2-1-1, your team will be part of a global effort to increase youth involvement within local communities through service work and civic engagement. In recognition of your efforts in supporting this goal, the United Way Volunteer Center will conduct site visits to as many projects as possible to take pictures and thank participants! Youth who participate in a GYSD project will receive a t-shirt and/or commemorative token of appreciation (while supplies last).

We hope you will take pictures and share your results with us. We will use this information to include in our GYSD final report for Larimer County and may feature some GYSD projects in future Volunteer Center marketing and youth reports. Please complete the Photo Release Form to have your school's pictures included. Thank you!!

Thank you for participating in the world's largest youth volunteer event!
